

About the WACC

All proceeds will go directly to the Walker Area Community Center.

The Walker Area Community Center was designed for a fun, healthy, and supportive environment for people of all ages; one which will enrich their quality of life by fostering a broad range of opportunities. Our goals are to provide civic, cultural, educational, recreational and leisure activities.

The Chase the Police Triathlon will be the newest of the five signature events that support the WACC. Other events consist of the Walker North Country Marathon held annually in September, The Polar Pout Plunge held annually in February, and the Golf & Dinner Benefit held annually in July.

For more information about the events or the Walker Area Community Center, visit our website at: www.walkerwacc.com

2nd Annual

Pursue a pack of law-enforcement officers by land and lake! The tables are turned in this high-speed chase, with "civilians" in hot pursuit of the police. The beautiful Leech Lake, Northwoods area is the ideal location to swim, bike and run for competition and fun!

Come join the pursuit on
July 30th, 2011!

About the Race

Strive for your personal best and enjoy the beautiful and rejuvenating Leech Lake area at the second annual Chase the Police Triathlon, hosted by the Walker Area Community Center (WACC) and the Walker Police Dept.

The natural setting of the Leech Lake/Northwoods area is perfect for a triathlon. Most of the running and biking portions of the race will take place on the paved Heartland Trail, which runs along lake shores and through National Forest lands.

The course starts in the charming Walker City Park, where police, EMS, and military personnel will start the race by chasing the ceremonial doughnut into Leech Lake.

Once the police and EMS personnel are on their way with their "head start," the racers will then start the race and "chase" the police, attempting to catch up to them and finish the race before them.

There are many ways for you to participate in this fun and inspiring event! Sponsors, volunteers, racers (police chasers) and spectators are on the police's "Most Wanted" list.

Our dedicated committee, sponsors, and volunteers have worked hard to create an atmosphere that will be enjoyable for you and the whole family. For more information, visit our website at:

www.walkertriathlon.com

Registration

- If you work in law enforcement, an EMS field, or military personnel, be sure to check the box on the registration page to ensure you get placed in the first wave. Police officers are encouraged to use department issued bikes.
- Race is limited to 400 racers. Registration will open January 1, 2011. Reserve your spot today online at www.active.com.
- Entry fees are NON-REFUNDABLE. Sorry, no exceptions. If you decide to cancel, you can still receive your official T-shirt. Just send a written request and your cancellation to the WACC.
