

# CHASE the POLICE

## TRIATHLON WALKER, MINNESOTA

### RUN ROUTE

The run route is 2.8 miles long. It begins at Walker City Park, goes up a small incline out of the park and onto paved Walker Bay Blvd. Once you get to the turn around you will follow the same route back except for a short time where runners will use the bike trail. The terrain slopes up and down creating a very challenging run. The course follows beautiful Leech Lake for a great ending to a fun race.
